 All,

It has been brought to my attention that EPA and the PRP's Contractor in Zone 2 (Parsons) have a conflict on Thursday (7/26) at 10AM. I would like to see about potentially pushing our City Coordination Meeting until 11AM on 7/26. Will that time work for everyone?

Sorry for any inconvenience.

Thx
 Dan

Hi James,

I think we can make next Thursday work.
 I'll send out an updated invite for next Thursday shortly.

Thx

Daniel,

Hope all is well. Please note that if we can reschedule the meeting for next Thursday that would definitely work better for me. By next Thursday I would be able to give all of the parties a more definite answer as to when the demolition of the properties will start. Please advise if next Thursday would work for everyone.

Thanks,
